EAT MORE, WASTE LESS

Here at Muller Bros we are proud of offering our "Eat as much as you want" Brazilian inspired Churrasco and the delicious food our chefs prepare and serve to our customers. But there is one thing we are not proud of at all, which is the amount of food that sometimes is wasted and we have to throw away. So we would like to ask you to be food conscious and remember, you can always ask for more of your favourites. (depending on availability).
